DEPARTMENT OF ENGINEERING EDUCATION

Week of November 19<sup>th</sup>, 2018

Birthday Wishes to Meseret Hailu (November 25<sup>th</sup>)

Beat Michigan! Happy Thanksgiving!

Note: we are trying something new. You will only see posts for one week (unless they are department calendar events.).

## Announcements

- All are invited to participate in an informal EED potluck on Tuesday 11/20 in SM 3101. The potluck will run from 11am to 1:30 pm so please feel free to stop by anytime within that window as your schedule allows.
- The new course for employees, “Report = Support: Identifying and Responding to Sexual Misconduct,” is interactive, easy-to-follow and takes less than 30 minutes to complete. Becoming familiar with these issues and the available resources as early as possible is critical to preventing sexual misconduct. The course will close at the end of the fiscal year, June 30, 2019, and will be reassigned every July. The university will continually evaluate completion and develop a compliance strategy to introduce when the course is reassigned in July 2019. Those who have not completed the course will be prompted throughout the year. Report = Support is now available for you to complete in [BuckeyeLearn](#), and will be required annually for all faculty, staff and student employees.
  - To access the course which has been assigned to your BuckeyeLearn transcript, use your Ohio State credentials to log in at <http://e.osu.edu/eoa/vsfGr37vle/>.
