

EED WEEKLY EMAIL

DEPARTMENT OF ENGINEERING EDUCATION

Week of September 24th, 2018

Happy birthday to Patrick Herak (Sept 27)!

Announcements

- Congratulations to Dr. Lisa Abrams who will be taking on a new role in our Department of Engineering Education (EED) as a Professor of Practice starting, effective, September 1, 2018.
- If you're using Smith 3101 and 3011, please put all the furniture back as you found it.
- The front desk staff will be cleaning out the refrigerator on Friday afternoon. They will throw out anything without a name on it. Thanks for your cooperation!

Upcoming Events & Deadlines

1. The Office of Graduate Education in collaboration with the college departments will be hosting this year's Graduate Engineering Open House (GEOH) on Friday, October 26th. See Ana Casado.1 for more information.
2. The dates for the Course Proposal Subcommittee and CCAA meetings Fall Semester are below. See Deb Grzybowski.3 if questions.

Course Proposal Subcommittee	CCAA
Tues. September 4	Tues. September. 11
Tues. October 9	Tues. October 23
Tues . November 6	Tues. November 13
Tues. December 4	Tues. December 11

3. Below are the dates when student registration windows open for Spring Semester 2019. This may help in conversations with your colleagues if there is a desire to offer new classes or group studies. See Deb Grzybowski.3 if questions.

Enrollment Appointments Open: University Priority	Oct 15
Enrollment Appointments Open: Graduating Seniors	Oct 18
Enrollment Appointments Open: Rank 4, Grad, Prof	Oct 22
Enrollment Appointments Open: Rank 3	Oct 29
Enrollment Appointments Open: Rank 2	Nov 5
Enrollment Appointments Open: Rank 1, et al	Nov 13

Opportunities for Excellence

- The OSU Stress Management and Resiliency Training (S.M.A.R.T.) Lab is now available to faculty & staff! Register now to access innovative biofeedback technology. These fun, easy-to-do computer activities use breathing techniques to promote the mind and body!
 - o Give Biofeedback Technology a Try! September 25 and 26, 2018 - 11 a.m. to 1 p.m. Try out the biofeedback technology at one of the 30-minute OSU S.M.A.R.T. Lab sampler sessions.

- SHPE is offering an incredible learning opportunity at the Faculty Development Symposium (FDS), to be held on November 8, 2018 from 9:00 AM to 4:00 PM, during the National Convention in Cleveland, Ohio. The FDS is designed for diverse graduate students, doctoral students, postdoctoral researchers, and early career faculty, and provides skills and resources to help the participants obtain and successfully transition to tenured faculty positions. Workshops are focused on holistic professional development including funding and teaching strategies, and career planning. Participants will also be able to connect with tenured faculty role models from diverse backgrounds who can provide mentoring and guidance. The SHPE FDS will bring a diverse community of engineering faculty to promote opportunities for faculty positions, postdoctoral positions, and research collaborations. Qualified applicants will receive financial support for convention registration and travel expenses. In addition, participants receive a SHPE certification, FDS pin, and an invitation to participate in additional conferences throughout the convention. This is a great opportunity to build long lasting professional and social networks.
 - o The deadline for applying to attend the SHPE Faculty Development Symposium is Monday, September 24, 11:59 pm PST, and applicants will be notified of decisions by Friday, October 5, 2018. The funding for travel awards is provided by the National Science Foundation.

 - o For more information, please contact Dr. Dora Renaud, Senior Director of Academic Programs and Professional Development at DoraR@SHPE.org

- Get Connected at the 2018 Research Expo. Sponsored by the Office of Research, the 2018 Research Expo features information to support the growth and success of your research program. More than 50 exhibitors – research support services, centers and institutes, community partners and vendors – will be available to answer research-

related questions and help you navigate Ohio State's research enterprise. Learn about funding, lab archives/online notebook, the PI Portal and more at one of the demonstrations held during the event. Network with fellow researchers.

 - The NSF [Research Initiation in Engineering Formation \(RIEF\) program](#) in the Division of Engineering Education and Centers will be hosting a webinar for prospective PIs on Friday September 28 at 1pm Eastern. Participants are invited to send questions ahead of time to [Julie Martin](#), program director for Engineering Education to be answered during the webinar. To Join, click the link <https://bluejeans.com/734662857/?src=htmlEmail> or call toll-free [+1.888.240.2560](tel:+1.888.240.2560)

 - The National Science Foundation (NSF) announces the launch of the [NSF 2026 Idea Machine](#), a prize competition to help set the U.S. agenda for fundamental research in science, technology, engineering, and mathematics (STEM) and STEM education. Participants can earn cash prizes and receive public recognition by suggesting the pressing research questions that need to be answered in the coming decade, the next set of "[Big Ideas](#)" for future investment by NSF. The NSF 2026 Idea Machine is an unprecedented opportunity to promote a new area of research that is important and exciting but not currently addressed by NSF. Each final winning entry will

receive a cash prize of \$26,000 and its authors (individuals or teams) will be invited to a recognition event in the Washington, D.C. area. Entries will be accepted through October 26, 2018.

Reminders

- Need storage space for your confidential research data? Please submit an IT help ticket to submit a request. <https://engineering.osu.edu/> click on the Intranet link at the bottom and select Helpdesk.
- Whether you are enrolled in an Ohio State medical plan or not, be sure to get a flu vaccination so you're ready to fight the winter flu bugs! All benefit-eligible faculty and staff can get vaccinated at a convenient on-campus location while supplies last. For details or to register for an appointment,
 - o <https://osuhealthplan.com/members/flu-vaccinations>
- Please get a T number before paying for any travel, conference fees, hotels, etc.
- If you are getting emails saying you're running out of space, archive! Put in an IT Help Ticket (go to College of Engineering website) to get the 15 minute solution.
- Have a potential news story?
 - o [Submit Here](#)
- If you have a small project for one of our front desk student assistants, contact Lisa Abrams (abrams.34@osu.edu) who will assign the work requests. Please submit any requests at least a week in advance.
- Do you have a message or event you'd like to see highlighted on EED's social media platforms (e.g. Twitter, Facebook)? Email your posts to ENG-EEDFrontDesk@osu.edu with "EED Social Media" in the subject line.
- Do you have an announcement or message you want to see in the next weekly email? Email the ENG-EEDFrontDesk@osu.edu with "Weekly Email" in the subject line.

Have a wonderful rest of the week!
