New Announcements

1. Congratulations to Deb Grzybowski on her appointment as a senior representing the College of Engineering. Her three-year term begins Fall Semester 2018. Best wishes for a productive, satisfying term.
2. All faculty and staff are required to complete the following two (2) online courses THIS WEEK by March 9, 2018, even if this training has been previously completed:
 - Building a Supportive Community: Preventing Sexual Misconduct and Relationship Violence: This is a 60-minute online course that covers how to prevent as well as receive and respond to reports of sexual misconduct including sexual assault, relationship violence, and stalking.
 - Understanding the Sexual Misconduct Policy: This is a 30-minute online course that will provide participants with key legal and policy details, and information on how to recognize sexual misconduct and how to file a complaint or make a report. Additionally, this course outlines several available resources and provides guidance with how to prevent sexual misconduct in the work and academic setting.
 - The two required trainings are assigned to you in BuckeyeLearn. To access the training:
 - Go to your [BuckeyeLearn Transcript](#) (if prompted, login with your name.# and password)
 - Locate the training you wish to complete

- If you are unable to complete the training all at once, you may return to your BuckeyeLearn transcript to continue work on completing the training

Reminders

1. The Ohio LSAMP Alliance, which operates out of the Office of Diversity and Inclusion, is seeking a graduate associate to assist with website maintenance, communications, and research on retention of minority students in STEM. A doctoral student in educational studies or a related area is preferred.
 - If interested in this position, please submit a cover letter outlining why you are a good fit for the position, your résumé, a writing sample, and the names of three potential recommenders to Dr. Barbara A. Fink, Alliance Director, The Ohio LSAMP Alliance, fink.4@osu.edu, 614-477-7331
2. Focus EduVation, a provider of custom content and e-learning solutions for colleges and universities is looking for those who can assist with an upper-level high school Engineering assessment item project that will be ongoing into the Spring of 2018. These assessments will empower students to develop in-demand, transportable knowledge and skills through pathways in engineering. Ideally, the candidate will have knowledge of assessment program building and measurement of student understanding as well as a specific engineering field expertise. In addition, items assessing workforce readiness and communication skills will also be incorporated. This assessment program will include engineering content items in the areas listed below.
 - Aerospace Engineering
 - Civil Engineering & Architecture
 - Digital Electronics
 - Computer Integrated Manufacturing
 - Introduction to Engineering Design
 - Principles of Engineering
 - Environmental Sustainability
 - Contact [Liz Napolitano](#) for more information
3. As a reminder, anyone who is eligible to conduct research activities at Ohio State, including those who are involved in designing, conducting or reporting of research or in the administrative oversight of research activities, needs to complete the RCR

training. This training needs to be completed by June 30, 2018. The training does take some time, so it is recommended that you not leave it until the last minute.

- To access the training, go to: <http://orc.osu.edu/regulations-policies/rcr/>.
 - If you have questions about the training, or believe you are not required to take it, contact rcrinfo@osu.edu
4. We are having a contest to redecorate the hallway of 2nd floor Hitchcock, including the nook by the elevator, and the EED suite (244). If anyone has any ideas please submit them and help spread the word.
 - Contact Ray Brooks for info
 5. Graduate students have been assigned to EED committees. They will participate as non-voting members to represent the interests of graduate students. These are the assignments:
 - USLI – Meg West
 - GSRI – Renee Desing
 - CREW – Ben Richetti
 - PDR – Abby Clark
 - IDC – Amena Shermadou
 6. The applications for GTA and UTA positions for autumn 2018 are now up on the EED website. Feel free to direct students to the applications
 - <https://eed.osu.edu/about/employment-opportunities>
 7. The Engineering Science Department at Trinity University is soliciting applications for the Senior Design Administrator and Assessment Officer position. Please visit link below for more information and to apply for the position. [Link here](#)
 8. Options for team meetings – Smith 3011 and 3101. Currently there is one online calendar for both rooms. Reserve as you reserve all EED rooms through Outlook. Note which room in the location when requesting. Questions? Contact Ashley.
 9. You can preview the EED Departmental Calendar [here](#).
 10. If you have a small project for one of our front desk student assistants, contact Ashley Fields (fields.306@osu.edu) who will assign the work requests. Please submit any requests at least a week in advance.
 11. Do you have a message or event you'd like to see highlighted on EED's social media platforms (e.g. Twitter, Facebook)? Email your posts to Dr. Ana Casado (Casado.1) with "EED Social Media" in the subject line.

12. Do you have an announcement or message you want to see in the next weekly email? Email the front desk (eng-EEDFrontDesk@osu.edu) with "Weekly Email" in the subject line.

Have a great week!
